

The Circle of Change

As the sun rises on the dawn of a new day, the eternal circle brings hope of cleansing and change.

The circle is never ending.

The circle of people with arms extended and holding hands is an acceptance, and hopefully, an understanding of the many cultures throughout the world. The debilitating hate, anger, hurt, and most definitely, abuse must stop. We have to strive to be more accepting and tolerant of each others' beliefs and traditions. We must remember past wrongs and make sure the future is better. The circle of feathers symbolizes important historic events and relates to the sun, and therefore, the Creator. The Creator is the God of love and acceptance.

My Wish For You...

Where there is pain, I wish you peace and mercy.

Where there is self-doubting, I wish you a renewed confidence in your ability to work through it.

Where there is tiredness, or exhaustion, I wish you understanding, patience and renewed strength.

Where there is fear, I wish you love and courage.
